Wastewater Treatment Plant Network

WiFi Yagi Antenna

Low Loss Coax Cable

WiFi Amplifier

RS232 enabled sensors/controls

SCADA Operations Center

Weatherproof NEMA Enclosure

Device Server

24V DC Power

Industrial Ethernet Media Converter

Ethernet Cable

Fiber Optic Cable

RS232

WiFi Yagi Antenna

Low Loss Coax Cable

Outdoor CPE

Outdoor Rated Cat5e Cable

Weatherproof NEMA Enclosure

24V DC Power

Industrial Ethernet Switch

Weatherproof NEMA Enclosure

CPE DC Injector

Fiber Optic Cable

to Wireless CPE
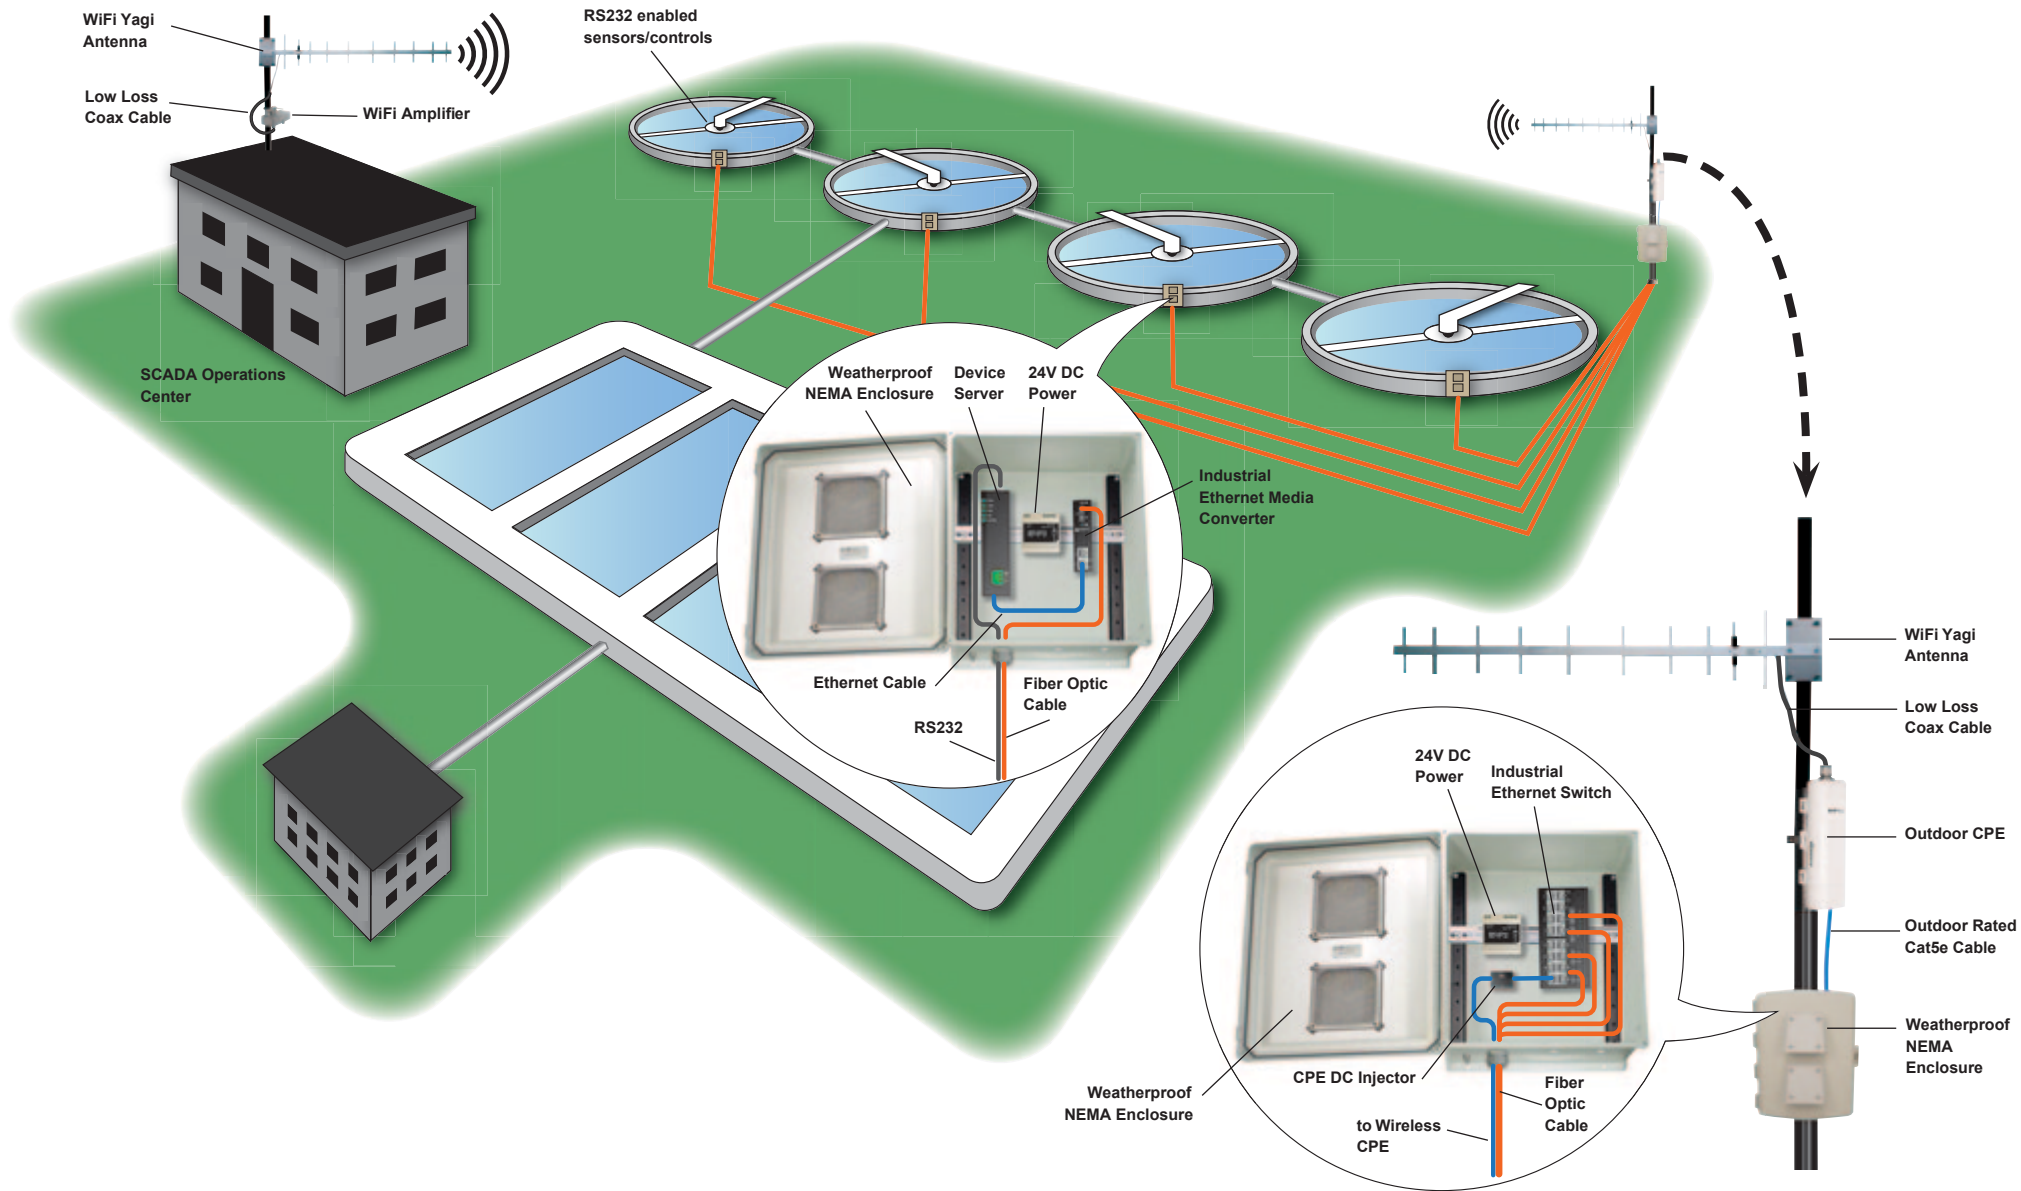

This diagram depicts a typical wastewater treatment plant network which encompasses Industrial Ethernet, RS232, and 802.11 WiFi connectivity providing an end to end wastewater treatment network solution.
